

## Binder Ordering Instructions

Replacement 2-ring binders with 1 inch rings can be ordered by John Deere dealers through Service Parts. Reference part number **PFP10853**.

## User Guide Printing Instructions

There are two user guide document formats available on Publications page at [www.StellarSupport.com](http://www.StellarSupport.com) for printing:

### Printing format

- Easiest format to print.
- Prints 2 copies
- Requires cutting pages

### Standard format

- Requires printer setup
- Prints 1 copy
- Requires sorting pages

The instructions below are designed for personal use and for a print shop.
